J. W. Stephens of Mountain Grove has been here in the interests of his candidacy for the Republican nomination for sheriff. He is making an active campaign and is meeting with much encouragement wherever he goes. His wide acquaintance and his splendid qualification serve to make him a strong candidate.

Road Meeting at Cabool

Representatives from towns along the proposed Southern Route of the Ozark Trails between Springfield and St. Louis met at Cabool yesterday and organized the Ozark Scenic Highway Association.

J. A. Chase of Mountain Grove was elected president, and vice presidents were elected from each county, M. A. Freeman of Mansfield being elected from Wright county and James McMahon of Seymour from Webster county. N. J. Craig was elected treasurer.

A few changes are to be made in the route and the same re-logged by Russell E. Hunt of Chicago, representing the Auto mobile Blue Book Publishing Co. The route, as re-logged, will be in the blue book, and autoists from St. Louis will thus have a western route to follow, so we'll be on an official route, after all. Owing to the delay by the Ozark Trails Association in designating an official route, it was thought best to take this action that an official route might be established at once.

A marker—O H—was adopted and these will be placed along the route.

Those from Mansfield attending the Cabool meeting were M. A. Freeman, H. B. Paul and wife, N. J. Craig, wife and son Snyder, Misses Ada Hoover and Maude Reynolds.

Southern Route Inspected

With a view of obtaining first hand information as to the condition of the southern route of the proposed Ozark trail connecting Springfield and St. Louis, E. L. Sanford, recently elected vice president of the Ozark Trails Association to represent Missouri, and W. H. Seed, highway expert representing the Greater Springfield committee, made an inspection tour of the route Saturday, Sunday and Monday.

Leaving Springfield Saturday afternoon at 2:30 o'clock, the two good roads advocates made brief stops at Mansfield and Mountain Grove, arriving at Houston late in the afternoon. They spent the night there, leaving Sunday and stopping at Rolla, St. James and Union. They arrived at St. Louis Sunday afternoon at 2:30 o'clock, and after a few hours stop, left for Union, where they spent Sunday night. The trip from Union to Springfield was made Monday.

Vice President Sanford expects soon to make a similar trip over the northern route and another subsequently over the proposed compromise route from Salem east to Iron Mountain, thence over the old Telegraph road into St. Louis. The proposed third route would eliminate several of the towns at the extreme east end of the southern route.

The tour over the southern route was made with a view of ascertaining a definite knowledge of the condition of the roads in order that he may be able as a vice president of the Ozark Trails Association to offer such suggestions to good roads enthusiasts along the route as may be desired and that he might better promote the building of roads in Missouri.

While several bad stretches of road were encountered on the southern route, Mr. Sanford said, boosters along that route deserve much credit for the progress made during the past year in the improvement of roads which make up the highway.

Every effort to promote the completion of the southern route will be made by Mr. Sanford and other good roads boosters by Nov. 15, at which time the official route of the Ozark trail connecting Springfield and St. Louis will be designated by President W. H. Harvey of the trails association. — Springfield Republican.

GEORGE HACKMANN

Republican Candidate for State Auditor Visits Mansfield

GEORGE E. HACKMANN
Of Warrenton, Republican Candidate
for State Auditor.

G. E. Hackmann, of Warrenton, Republican candidate for state auditor, was here last week. Mr. Hackmann is county clerk of Warren county, now serving his second term; for the previous 8 years he was deputy clerk. He also served several years as city clerk of Warrenton. He is also serving his fifth term as secretary of the state association of county clerks. He is making an active campaign of the state, not only in his own interests, but in behalf of Republicanism. He has visited 75 counties and is meeting with splendid encouragement. His wide acquaintanceship, his faculty of making new friends, and, above all, his eminent fitness for the place, make him an unusually strong candidate. If nominated and elected he will, we feel sure, make the state an able and capable official.

A Fiddlers Contest

Col. W. H. Harvey, president of the Ozark Trails Association, will give a fiddlers contest at Monte Ne, Ark., to which all the fiddlers of the Ozark mountains are invited. He will entertain them free of expense while at Monte Ne, and will give \$25 cash first premium or a \$25 fiddle to the winner, as he may prefer. Also \$10 second premium and \$5 third premium. Only Ozark mountain fiddlers will take part in this great feast of fiddle music; and no one will be allowed to enter the contest who plays by note or who calls the fiddle a "violin," or who makes his living by playing the fiddle. Col. Harvey would like to receive a letter from each one who expects to take part, but that will not be necessary, as all fiddlers who come and are eligible will be cordially and hospitably received. It is proposed and planned to be the largest gathering of fiddlers that has ever occurred in the Ozark mountains. Col. Harvey is very fond of music on the fiddle and those who come with their fiddles are assured a royal good time. This is a chance for some of our Mansfield fiddlers to carry away that \$25 prize. We've got plenty of talent in this vicinity.

The Celebration

Mansfield celebrated the Fourth in good style this year. The weather being auspicious. A little shower about noon drove the people temporarily from the picnic grounds—Burney's Grove—but the shower was soon over and the afternoon program was given as planned. The attendance was good, there being many visitors from the country and nearby towns.

During the day the always popular Mansfield Concert Band gave several selections on the grounds and in the park.

The welcome address was given by J. W. Brazel, who is constantly increasing his reputation as a public speaker.

Hon. J. Lon Dennis delivered the address of the day in his usual able and forceful style and was accorded a good hearing.

The singing was also an enjoyable feature of the program.

In the contests first prizes of \$1 and second prizes of 50c were given, the winners being as follows:

Three-legged race: Ingerson Bros., first; Ellison Gaines and Lonie Short, second.

Fat men's race, Mr. Hunsaker and Roy Buckles.

Boys' foot race, Scott Latsinger and F. E. Edwards.

Men's foot race, Orrel Dennis and Mr. Hunsaker.

High jump, Francis Oetting and Ralph Brazel.

Women's foot race, Janie Newton and Martha Oetting.

Killed By Horse

Frank Fleetwood, aged 28 years, died at 5:30 a. m. Sunday morning as a result of injuries received about 9 o'clock Saturday morning. He was on a horse riding from Scraper to Norwood. The animal was not well broke and reared and fell back with him, the horn of the saddle striking young Fleetwood in the stomach. The accident occurred near the home of Oscar Rippee, to which place the injured man was taken, and everything done for him that could be done, but without avail. He was unmarried and his parents are dead. Rev. J. B. Poort conducted the funeral services at 5 p. m. Sunday. Interment in the Mansfield cemetery.

Your address is now printed and pasted on your Mansfield Mirror by our new mailing machine, and the date to which our books show you to be paid is indicated on the label. Thus John Doe Jan 17 means that you are paid up to Jan. 1, 1917. We do not show the day of the month on the label, as we date all subscriptions on the first of the month. Please look at your date. If we have it wrong, let us know so we may correct. If you are not paid in advance, come in and hand us \$1 or mail it to us, as we want to get our list on a strictly paid-in-advance basis.

Delicious Drinks

Our pure ice cream and real fruit flavors make the refreshments that you get at our fountain really nourishing food. We use a sanitary service. Dishes and cups are paper and are used only once.

Mining News

A big strike was made on the A. T. Friend lease last week, when an 8 inch vein of silicate was struck at a depth of 17 feet. The depth of the mineral is not yet known, although it has been worked to a depth of several feet. Good ore in paying quantities abounds in this vicinity, and we are glad that it is being mined here in a way that proves that mining in the Mansfield district is a paying proposition.

Postmaster E. B. Lefler, of Bryant was here yesterday. He has been doing considerable mining on his Ozark county mine.

mines here, and if things worked out right, would have from 100 to 150 men working on his leases here. We certainly hope he will see his way clear to work the mines on an extensive scale.

M. G. Harris, who has been visiting at the home of his brother, C. F., returned to Iowa Friday.

Two railroad companies have employed more than 300 graduates of the telegraph department of the Springfield Business College, and are calling for more every month. Every young man who would like to be a station agent, operator or train dispatcher should write J. A. Taylor for a special telegraph catalog. Adv.

Remember the Big Sale

Next Monday is the date of the big land sale at Coker. A large crowd is expected at this land auction, and Frisco trains will stop at Coker that day for the accommodation of those desiring to attend the sale. Let's have a large attendance from Mansfield and vicinity. A sale of this magnitude and importance is rare and may not come again, so that advantage of this splendid opportunity to buy lots and small or large tracts of land at your own price and on easy terms. Remember the date—Monday.

It has been suggested that all the business houses close next Monday, the day of the big Coker land sale, and give all an opportunity to attend the sale—a good idea.
